ABOUT US

Arns Enterprises, LLC is an Arizona-based woman-owned small business dedicated to delivering reliable contract execution for federal, state, and municipal agencies. We specialize in connecting government contract requirements with qualified execution — managing a nationwide network of subcontractors and vendors across a broad range of industries and service categories.

CORE CAPABILITIES

- **Facilities & Property Services**
Grounds maintenance, janitorial, roofing, repair, leasing, and all property-related contract requirements.
- **Environmental & Specialty Services**
Hazardous waste, remediation, and specialty services coordinated through licensed providers.
- **Construction & Repair Services**
Building repair, renovation, and construction managed through qualified regional contractors.
- **Logistics & Support Services**
Moving, delivery, storage, and operational support for government agencies nationwide.
- **Contract Management**
End-to-end coordination, vendor management, compliance tracking, and reporting.
- **Nationwide Reach**
Subcontractor relationships across all 50 states — ready to execute anywhere.

WHY ARNS ENTERPRISES

- WOSB set-aside eligible — access to contracts reserved exclusively for woman-owned small businesses
- Nationwide subcontractor network across a wide range of industries and service categories
- Documentation-driven process — every step tracked, audit-ready, and compliant
- Agile small business structure with fast response and direct communication
- Experienced leadership in operations, governance, and contract management
- Federal, state, and municipal agency experience

PAST PERFORMANCE

- Executive-level operational and administrative leadership
- Human resources management, compliance, and workforce planning
- Board governance and budget oversight — municipal and nonprofit entities
- Sales and business development across multiple industries
- Media, communications, and public outreach management
